

Barrier Hoard

Product Info:

The Barrier Hoard is a lightweight, yet robust, one-piece panel system designed for use with our GB2 or RB22 heavy duty barriers.

Using our standard posts, the heavy-duty Barrier Hoard offers an appealing alternative to standard steel hoarding panels.

Not only is the system maintenance free, but it is also pressure washable and available in a range of colours or you can apply graphics for a personalised finish.

Key Features:

- Lightweight Yet Robust
- Pressure Washable
- Simple to Fit
- Graphics can be Applied
- One Piece Moulded Design
- Heavy Duty Barrier Panel
- Available in a Range of Colours
