

## Jumbo IBC Bund Canopy

### Product Info:

Protection from the elements promotes a longer life for your liquid storage equipment. Outdoor storage of your chemicals, liquids & water often means battered and bruised IBC's.

Waterproof, wind resistant and UV protected means the Bund Canopy will provide the reassurance you need when choosing the right cover for your IBC and bund.

Fixed on top of the Jumbo Bund, the steel frame and attached PVC canopy allows easy access to your IBC

With a dual zip, roll up opening and clip fasteners in both front corners mean it's a simple one-man job, even when the forces of nature are against you.

### Key Features:

- Constructed from Hard Wearing PVC
- Steel Frame with Secure Loops
- Dual Zip Closure
- Dual Roll Up Clasps
- Offers Complete Coverage of the IBC
- Protects Equipment & Contents for a Longer Life
